

**THE UNIVERSITY
OF NEW THINKING**

From the President's Desk

“

GLS University is a place where excellence thrives and innovation flourishes. Established in 1927 by Gujarat Law Society, our institution carries forward a proud legacy of knowledge, creativity, and leadership. Today, with the prestigious A+ NAAC grade and global recognition, GLS University stands as a beacon for students who aspire to lead with integrity, wisdom, and courage.

”

We are committed to delivering education at par with the finest institutions worldwide. Our programs emphasize strong foundational knowledge, rigorous pedagogy, and academic research, while our innovative curriculum integrates real-world challenges. With distinguished faculty, global collaborations, and strong industry partnerships, we prepare students to become ethical leaders who think critically, communicate effectively, and serve society with conviction.

In a city where East meets West, GLS University embodies the blending of diverse cultures and intellectual traditions. Diversity, intercultural learning, and innovation are at the heart of our mission, supported by an extensive international network of academic collaborations and curriculum designed in partnership with leading institutions across the globe. This global perspective ensures our graduates are equipped to excel in both national and international arenas.

Our vision for the next decade is to create a holistic environment encompassing state-of-the-art infrastructure, a conducive atmosphere for learning and development, strong research orientation, enhanced innovation capabilities, and global outreach. By nurturing intelligence, emotional resilience, analytical ability, and creativity, we ensure the holistic growth of our students and prepare them to meet the demands of a diverse and complex world.

GLS University remains steadfast in its commitment to excellence, innovation, and ethical leadership. Empowering minds and inspiring futures, we continue to stand as a trailblazer in higher education—where tradition meets progress, and where students are transformed into leaders dedicated to serving the greater good.

» LEAF

(Leadership Entrepreneurship and Acceleration Foundation)
Incubation Center

GLS University is dedicated to promoting entrepreneurship among its students through various initiatives, primarily driven by the **LEAF (Leadership Entrepreneurship and Acceleration Foundation)** incubator, in collaboration with the **Government of Gujarat's SSIP policy**. These efforts provide students with a comprehensive support system, ensuring they have access to resources, mentorship, and opportunities to develop their innovative ideas into successful businesses.

LEAF (Leadership Entrepreneurship and Acceleration Foundation), the university's flagship incubator, plays a crucial role in this entrepreneurial ecosystem. As a Technology Business Incubator recognized by the **Department of Science & Technology (DST)**, Government of India, LEAF offers **state-of-the-art facilities** such as **co-working spaces**, **IoT and prototyping labs**, and **advanced computing systems** to nurture student-driven startups. By providing these resources, LEAF creates a conducive environment where students can explore their ideas, develop prototypes, and access the infrastructure necessary to scale their projects into successful startups.

In line with the university's commitment to fostering innovation, GLS University collaborates with the Government of Gujarat's SSIP (State Support for Innovation and Entrepreneurship Policy). This collaboration empowers students to convert their ideas into market-ready products.

Key facilities promoted by GLS University Incubator:

1. **Mentorship and Guidance:** Expert mentorship from industry professionals and successful entrepreneurs.
2. **Business Development Services:** Assistance in creating business plans, product development, and market entry.
3. **Funding and Investment Opportunities:** Access to funding sources and investors.
4. **Networking:** Connecting with other startups, industry leaders, and potential collaborators.
5. **Workshops and Training:** Sessions focused on entrepreneurship skills, funding, scaling businesses, and more.
