General Academic Guidelines for Students

Monthly Attendance Review

Attendance will be reviewed at the end of each month.

Students are expected to maintain the minimum attendance as per university regulations.

Parents/guardians may be informed in case of short attendance.

Mentorship Meetings

Mentor–Mentee meetings will be held every Saturday.

Students must actively participate and discuss academic progress, challenges, and career goals with their mentors.

Remedial and Doubt-Solving Sessions

Remedial classes and doubt-clearing sessions will be organized on Saturdays.

Attendance in these sessions is mandatory for students identified by faculty mentors or those seeking additional support.

Participation in Co-Curricular Activities

Each student must participate in at least two (2) co-curricular or extracurricular activities per semester.

Activities may include technical events, workshops, hackathons, cultural programs, or community outreach initiatives.

Industrial Visit / Field Exposure

Students are encouraged to attend one (1) industrial visit per semester (optional but highly recommended).
